

Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with effectively marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing top quality and new design concepts in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and needs together with their knowledge of cleaning applications, together with owners' strong desire to considerably lessen cost through productivity gains.

When considered necessary, the staff members within TREK and its many dealer members in both technical support and parts will be accessible. Among their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines working and ready daily is top priority. The company's top of the line technology delivers reliable machine which eventually reduces your cost of cleaning. The product, the price and the service all work as one to make them an industry leader.
