

Fork Mounted Sweepers

Fork Mounted Sweeper - The forklift mounted broom accessory could really make industrial sweeping jobs a lot easier. Intended for use on either dry or wet surfaces, this mounted broom accessory can squeegee water and push snow without difficulty. This particular accessory is usually used in order to clean trash from construction sites, docks, parking lots, warehouses and almost anyplace it is needed. The forklift sweeper is a low maintenance attachment which make use of quick-tite fork products to easily mount to the forklift.
