

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how long and tiresome it will actually be to clean-up right after a party, without help from equipment. Previously, the dust from upholstery and carpets had to be beat out of them manually; cleaning cloths, brooms, and brushes were the leading cleaning products back then.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After founding his business in 1906, he began to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the start was to have a global company selling goods worldwide.

The Nilfisk C1 was an incredible breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one person. This creation came in a time where other cleaning equipment were very big and required 4 or more operators, therefore, the Nilfisk C1 changed everything and evolved the method we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an existing problem; stuff get dirty and need to be cleaned frequently, without too much effort.

Gradually but progressively, Nilfisk-Advance expanded through the years. In the nineteen eighties, this development actually occurred when the business became a part of the NKT Group. Their new owners' ambition and focus made Nilfisk-Advance take a huge leap ahead within the business, aiming to be one of the leading international players in the market of professional cleaning machines. Nilfisk-Advance is currently found in every part of the globe due to gradually acquiring many small businesses so as to grow their product portfolio and presence in new markets. They are really proud to offer a range of cleaning solutions to suit every requirement.
