

## **Nissan Forklift Part**

Nissan Forklift Part - Nissan takes great pride in reaching complete consumer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality values to their clients. Incorporating a rich heritage combined with solid processing principals, Nissan lift trucks offer some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the company has four distinct production facilities that allow them to persistently adapt to their clients continually evolving needs by providing a variety of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fabrication, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using systems and procedures that lessen their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their customers insist upon whilst being an environmentally aware company.

Nissan is fairly confident that any of their clients queries and customer worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed dealers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
